Day 04

UDAWALAWE / BUNDALA / TISSAMAHARAMA

With a breakfast to go, head towards. Udawalawa National Park for a thrilling Safari. The park is over 30,000 hectares of wild nature reserve that is bordering the dry zone. The main attraction at the park is its wild Elephants. It is also a popular destination for bird lovers in Sri Lanka.

Upon completing, travel to Bundala National Park for yet another thrilling Safari adventure. Bundala is a 6,216 hectare scenic National Park that borders a coastal lagoon and less commercialized than its neighbor. The most prominent visitor to the park are the beautiful flamingoes that add a striking color to the scenery. It is the only National Park in Sri Lanka where visitors get to observe both species of crocodiles that live in the country. A vast concentration of estuarine crocodiles live in the lagoon areas and in the estuary of the Kirindi Oya river, while the mugger or the freshwater crocodile thrive in the small freshwater lakes and in the upper regions of the Kirindi Oya (river).

After completing, drive to Tissamaharama.

Dinner & overnight in Tissamaharama.
